## PROGRAMME REPORT

Name of the Programme : "A One Week Faculty Development Program on Human Values And Professional Ethics"

Date : 13-03-2023 to 18-03-2023

### Details of the Resource Person:

- Name : Dr. A. RAVI KUMAR
- Designation : PROFESSOR
- Department : PHARMA COGNACY
- Organization : NIMRA COLLEGE OF PHARMACY, JUPUDI.
- E-mail Id : araviskumar13@gmail.com
- Contact No. : 9849413904

### Objectives:

Nimra College of Engineering and Technology has successfully organized "A One Week Faculty Development Program on Human Values And Professional Ethics". The main objective is to inculcate Ethics and Human Values into the young minds and also to impart the human values that ought to guide the Engineering profession.

### Topics Covered:

- What is valuable to a human being
- What brings true happiness
- Improvement of their relationships with other humans and also with their environment
- Attitude towards moral values, behavior and integrity
- Responsibility towards education and profession

### Outcomes of the Programme:

## ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawaharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Costal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

- Designation : ASSOC. PROFESSOR
- Department : CSE
- Organization : RK COLLEGE OF ENGINEERING & TECHNOLOGY
- E-mail Id : bdharmasiri@gmail.com
- Contact No. : 8978313995

### Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Deep Learning and Neural Networks" The main objective of the program is to understand Machine Learning concepts and skills required to develop and use deep neural network models using the Open Source Tensor Flow platform.

### Topics Covered:

- Machine Learning – A new data-driven programming paradigm
- Supervised, Unsupervised and Reinforcement Learning
- Multiclass classification and Regression
- Dense Feed forward Neural Networks
- Implementing dense layers in Tensor Flow

### Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. Participants gained a deeper understanding of the Python programming language and Numpy library. The workshop will also provide a concise introduction to the mathematics required for a broader understanding of Machine Learning vis-à-vis Linear Algebra, Probability Theory and Multivariable Calculus.

## About FDP

- This workshop will provide an understanding of Machine Learning concepts and skills required to develop and use deep neural network models using the Open Source TensorFlow platform.
- Participants will gain a deeper understanding of the Python programming language and Numpy library.
- The workshop will also provide a concise introduction to the mathematics required for a broader understanding of Machine Learning vis-à-vis Linear Algebra, Probability Theory and Multivariable Calculus.

### Objectives:

Nimra College of Engineering and Technology has successfully **organised “A One Week Faculty Development Program on *Big Data Analytics*”**. The main objective of the program is the quality of teachers and faculty members will decide the quality of the students and thereby the next generation manpower.

### Topics Covered:

- Big Data Characteristics
- Data Repositories
- Introduction to Data Environment
- Visualization and Hypothesis tests
- SQL Server
- Connection of SQL Server with R

### Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. The topics help to promote and foster Big Data, Data Science and

## About FDP

- The quality of teachers and faculty members will decide the quality of the students and thereby the next generation manpower.
- Thus, enhancing the academic and intellectual environment by organizing FDP helps the Faculty to improve their skills.
- This FDP ensures faculty members are trained in the niche area of, big data analytics platforms Hadoop, Hadoop related Projects, DataScience.
- It helps to promote and foster Big Data, Data Science and its Applications in the field of teaching.
- This FDP aims to strengthen specialized research areas of Big Data Analysis.
