PROGRAMME REPORT

Name of the Programme: "A One Week Faculty Development Program on Advanced Tools & Techniques for Research Methodology"

Date

: 11-03-2019 to 16-03-2019.

Details of the Resource Person:

Name

: Dr. ABDUL BAJI

Designation

: PROFESSOR & PRINCIPAL

Department

: MBA

Organization: NIMRA COLLEGE OF BUSINESS MANAGEMENT, JUPUDI.

E-mail Id

: abdulbaji14@gmail.com

Contact No.

: 8985671586.

Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Advanced Tools & Techniques for Research Methodology". The main objective of the program is to develop basic traits of diving into a research paper writing,

To understand the importance of doing a good literature review.

Topics Covered:

- Research Paper Writing
- How to write Literature Review in Research Papers
- An overview of Research Ethics & Plagiarism Issues
- Application of Statistical Tools in Research Paper
- Research Data Analysis Using SPSS
- Introduction to Statistical Data Analytics with R
- Content Copyright-Mine the work

Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. From the covered topics participants will get in depth understanding of research and its implications in decision making process. Gain better understanding on how to design a valid research paper to answer specific research questions.

NIMRA COLLEGE OF ENGG.& TECH.

Nimra Nagar, Jupudi-521 456. (A.P)

ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawarharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Costal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

NIMRA COLLEGE OF ENGG.& TECH.

Nimra Nagar, Jupudi - 521 456. (A.P).

ABOUT COLLEGE

NCET a self-financed institution, was established by Nimra Educational Society in the year 1997. The College is situated on the main NH 09 (Vijayawada- Hyderabad Highway), just 17 KM away from the

traditional city - Vijayawada in Andhra Pradesh. NCET is affiliated to Jawarharlal Nehru Technological University, Kakinada, and approved by All India Council for Technical Education (AICTE), New Delhi.

NCET is recognized and known as the best college for engineering education in Costal Andhra. The College provides its students with modern educational facilities while retaining traditional values, as well as using its strong industrial contacts to mould young, talented individuals who can compete in the global arena.

In an intensely competitive environment, the college has adopted a dynamic, global, high-quality, creative

and communicative approach in education. The college aims at imparting high quality excellent education in Engineering and Technology to all categories of students.

Objectives:

Nimra College of Engineering and Technology has successfully organised "A One Week Faculty Development Program on Outcome Based Education". The main objective of the program is to train the teachers to guide the students through learning, curricular activities, motivate and to encourage the application of developing knowledge and skills.

Topics Covered:

- Teaching and Learning Process.
- Clarity among the teachers and students.
- Teachers designing the curricular activities and keeping an observation on students' growth.
- In students view teachers are their guides, mentors, role models, advisors, life coach, friends etc.,

Outcomes of the Programme:

An open feedback was collected from the faculty members and they conveyed that the program was very helpful. The topics related to the information which is useful in teaching and learning process and also the role of teacher is more precise in students life for their growth.
