## **REPORT ON GREEN CAMPUS INITIAIVES (7.1.3 (6))**

1. Restricted Entry of Automobiles.
2. Plastic-free Campus.
3. Battery Powered Vehicles.
4. Pedestrian Friendly Pathways.
5. Landscaping with Trees and Plants.

Nimra College of Engineering & Technology is dedicated to maintaining a verdant campus environment, a commitment upheld since its establishment. The college has consistently implemented various practices such as planting saplings, nurturing trees, lawns, and gardens. The landscaping across each block contributes significantly to the aesthetic appeal, fostering a serene atmosphere for students and visitors. Notably, the campus proudly maintains its status as a plastic-free zone.

### **INSTITUTIONAL INITIATIVES:**

#### **1. Restricted Entry of Automobiles:**

The college facilitates student transportation through buses operating across Krishna and Guntur districts, with the majority of staff utilizing this service. Additionally, a few students residing nearby utilize government bus transport. To minimize vehicular traffic within the campus during working hours, staff and students are prohibited from using their automobiles. Furthermore, vendors, parents, and visitors are directed to park their vehicles at the entrance and refrain from entering the college premises with automobiles.

## Buses parking inside the College:

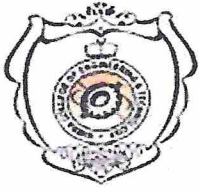

## 2. Plastic-Free Campus:

Students and staff are educated and encouraged to abstain from using plastics. Notice boards advocating a "No Plastic/Plastic-Free Zone" stance are strategically placed. Furthermore, students and staff actively promote awareness regarding the avoidance of plastic cups, sheets, and bags. Nimra College's Swatch Bharat initiative organized a plastic-free campaign in adopted villages like Ketanakonda, Ibrahimpatnam, and Jupudi. The campaign commenced with a rally showcasing banned single-use plastics, distributing cloth bags as alternatives.

### 3. Pedestrian-Friendly Pathways:

Nimra College of Engineering and Technology boasts excellent connectivity via buses, autos, and e-rickshaws from various locations. Within the campus, a bus service facilitates travel around the entire premises. Additionally, the college features pedestrian walkways, enabling students and employees to choose between utilizing the bus, walking, or cycling within the campus. Specially designated walkways are equipped with street lighting for enhanced safety.

### 4. Green Landscaping with Trees and Plants:

Greenery forms an integral part of the college campus, notably around the Administrative and departmental buildings. Each department enjoys approximately 2800 sq ft of lawn area, contributing to the campus's lush appeal. Moreover, a sprawling 3200 sq ft central land area is beautifully landscaped, adorned with diverse flora, including over 25 different tree species and various herbal plants, highlighting the college's commitment to a green environment.

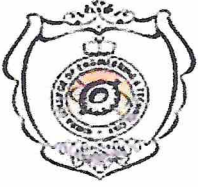

### Photo of land paths green :

### 5. Battery-Powered Vehicles:

To uphold the commitment to a pollution-free and environmentally friendly campus, Nimra College utilizes battery-powered vehicles and cycles exclusively within the premises.
